EXPERIENCE

Target

Guest Service, Barista, Cashier

October 2011 – August 2014, June 2017 – Present

As a barista, I became familiar with suggesting drinks of different flavors to those who were unsure of what they wanted, in order to create a unique experience for each person. At Guest Service, I am interacting with guests in a similar way to problem solve situations to which they may not be completely satisfied.

Batavia Downs Gaming

Graphics Specialist

October 2015 – September 2016

As part of an in-house team, work created for the various business' within the gaming facility and its branches. Designs were created for various formats such as print, web, and broadcasting.

FedEx Office

Print Consultant

August 2015 – December 2015

Taking customers work and setting it up for print production, and following it until it's complete. Many projects with manuals with binding, brochures, businesses cards, invitations. Also large format commercial signs for local grocery stores.

T-Shirts Etc.

Graphic Design Intern

February 2014 – April 2014

As an intern, my main focus was to create designs for the local school districts. These designs were setup for screen print and embroidery. Brochure, banner, and outdoor signage were also created for various events and businesses.
